Rice Saddlery, LLC agrees to provide RESEARCH to find a reasonable fitting saddle for the above named Client (hereinafter referred to as "Client"). RESEARCH is defined as where the particular style saddle (or one like it) can be located for sale. All Research provided to Client will include an accurate description of said saddle(s), including tree size, seat size, color, purpose, price range, and location(s) of dealer(s), tack shop(s) and/or individual where said saddle(s) can be found for sale. Rice Saddlery, LLC does not warrant any saddle found in the Research to be suitable for a particular purpose; fit for a particular horse; and/or to be free from any defects. It is understood that Client is to make all final decisions as to purchase, including but not limited to payment of prospective saddle(s).

Client agrees to pay Rice Saddlery, LLC the fee of \$140.00, for said Research at time of signing of this authorization form. Research shall be provided to Client within \_\_\_\_\_. After this time period, if no suitable saddle(s) is found, it is the Client's option to renew the consultant services of Rice Saddlery, LLC for an additional fee of \$75.00 until such saddle(s) is found. Client also agrees to pay the first farm call fee of \$65.00 for the initial visit to advise client of any saddle(s) found in this Research of its suitability for Client and/or his/her horse. Additional farm calls will be at the regular rate for any visits made by Rice Saddlery, LLC.

I, \_\_\_\_\_, authorize Rice Saddlery, LLC, and/or employees to act as agents on my behalf to do Research to find any saddle(s) which fit the aforementioned criteria listed above.
